THE LAWYERS' FACTORY

## **■ BRIEF ABOUT THE COMPANY**

**MPL Legal Academy is a leading educational institution that aims to deliver outstanding legal training programs to both individuals and companies in order to enhance their legal knowledge and practical experience.**

**We accomplish that by offering structured, highly specialized, tailored legal training programs that are attentively designed to cover labor market needs. This allows trainees to hit the ground running.**

**We aim to introduce a new generation of lawyers who have the required qualifications and skills that would empower them to knock the doors with self-confidence and solid knowledge of different majors of law.**
